Change Management: Military Transition to Corporate Culture

Are you ready to take the big step from military life to corporate culture? If the answer is yes, join the Association for Talent Development (formally the American Society of Trainers and Developers) for a panel discussion with former military members who have successfully made the transition. Former military personnel will discuss managing change during the transition.

Objectives

- The panel will answer questions and provide relevant information to manage change.
- Encourage integration of change into corporate organizational cultures
- Provide customized suggestions to simplify transition
